

## **MARYLAND ENVIRONMENTAL SERVICE**

### **SUMMARY**

The Maryland Environmental Service is an independent quasi-public corporation which provides water supply, wastewater treatment, and waste management services to State agencies, local governments, and small private sector entities.

The Service operates and maintains 139 water and wastewater plants, 63 of which are State-owned. The FY 2005 – FY 2009 Capital Improvement Program provides funds to design and construct capital improvements to water, wastewater, and power systems serving State facilities.
